Dear Haltiner Rouven and Christine

Hello Mrs. Rouven and Christine how are you and your child Unser baby? We continue to pray that our Lord will guide you and avert disaster. John Patrick and our whole family are in good condition, thank you for your birthday card for Patrick and family gift in the amount of 10,028.84 pesos, and also we are thankful for your birthday greetings to Patrick, and the family gift that you gave to us we bought materials for our house repair like coconut lumber, nepa (woven coconut leaves for roofs), sawali (woven split bamboo mats for walls), still bar, cement, gravel and sand. And also we bought assorted grocery and 1 sack of rice. And Patrick wants to eat in Jollibee nearest fast food chain in our town, which is way we take out a bucket meal of fried chicken and spaghetti. We are very thankful to you because we are always in your prayer.

How is the weather in your country? Her in our country we experience rain a lot but sometimes are too hot in the day. How is your child maybe he can crawl, how many months old is Unser baby? Patrick is continuing in his study and working to learn. I hope you include us in your prayer for everyday so that we overcome our trails in life especially our children. Because our children experience bullying in school and also we will live the word of God. We are very thankful for your life that the lord uses to become the instrument of blessing to our family, and to guide us and help us to learn the word of God. We are very thankful from the bottom of our hearts because to our answered prayer, we are very happy because we can continue our house repair, because of your family gift you provide us for our daily needs that we can't get every day. And also Patrick is very happy because his dream came true that he ate in Jollibee. That is way thank you for everything, the Lord will bless you for your kindness. We also pray for your family that the Lord will guide you and your family every day. And also always in good health and avert in danger.

God bless you all this is our letter for now looking forward for your next letter thank you.

Thankfully yours
Imelda
Mother of Patrick
